## SUMMARY

---

Passionate Software Developer skilled in the React ecosystem, with hands-on experience building scalable full-stack web and mobile applications. Proficient in React.js, React Native, TypeScript, Firebase, and Supabase. Eager to contribute to a fast-paced development team by building, testing, and deploying high-quality, user-focused solutions.

## SKILLS

---

**Programming:** Javascript, Java, python, C

**Frontend:** React.js, TailwindCSS, BootStrap, HTML, React Native

**Backend & Database:** MongoDB, Firebase, Express.js, Supabase

**Tools:** Git, Postman, Visual Studio Code

## PROJECTS

---

### Recipe App [Link](#)

Jun '25 – Jun '25

- **Developed** a responsive web application (React.js, Tailwind CSS) integrating a third-party API to fetch real-time recipe data.
- Integrated **third-party API** to fetch real-time recipes with ingredients and preparation steps.

### Netflix Clone [Link](#)

Jul '25 – Jul '25

- Built a **Netflix-style streaming platform** with React.js and Tailwind CSS, integrated with TMDB API for real-time movie and TV data.
- **Implemented** secure user authentication via Firebase and optimized performance using skeleton loaders and lazy loading for enhanced UX.

### Report-IT (Web & Mobile App)

Sep '25 – Sep '25

- Built a cross-platform issue reporting system where users can report local problems with images and live location, and track their resolution status.
- Developed using **React.js, TypeScript, and Tailwind CSS** for web, and **React Native with Expo** for mobile, powered by **Supabase** for auth, database, and image storage with **Map & Geolocation APIs**.

### ParkHub (Predictive Parking Web Application)

Oct '25 – Present

- Currently developing a smart parking prediction and booking application using **React.js, TypeScript, and Firebase** to provide real-time availability and seamless booking functionality.

## EDUCATION

---

**B-tech in Computer Science**, G.H.Raisoni College Of Engineering and Management 2023 – 2027  
(GPA: 8.67) Pune

## CERTIFICATIONS
